Membership badges

We noticed that at the AGM fewer than 50 per cent of people were wearing their badges. We would like everyone to wear their name badges while at all activities at the club. This is important so that new members, and any visitors know who they are talking to. Some peoples badges need their names rewritten, please make sure they are legible.

If you have lost your badge, or have never had one, or need a new one for any other reason please see the membership secretary – David Morley, he is always wearing his badge so you will be able to find him.

The committee decided at the last meeting that the President should take over as Editor of the newsletter as most previous Presidents have, Tony was editor when Ron was President as he did not have a computer. As I am very busy with wiring etc I hope to get help from my wife and Judith

Soldering Course

John Cutler held a soldering course in March/April but since then a number of other people have shown interest in learning to solder and asked for another course. Please let John know if you are interested. Sign up on the notice board and another course will be held as soon as possible, in January 2010.

AGM

The AGM was well attended with 26 members present. Thank you to all who came and participated. This is an important part of the club's life. A number of important items were discussed including DCC. Elections for vacant positions were held and the results are:

President: John Cutler
Treasurer: Judith Morley
Committee: Mick Kerry
Peter Lynch

Keith Turner agreed to continue in the role of Secretary, a position he was coopted to during 2009. He will continue until next AGM.
